How It Works

Simply decide the art project and the event. We'll bring everything needed to create the art and we'll guide the process with step by step instructions.

Canvas painting projects go home the same day they are created with the recipients. They are 16x20" and are painted with acrylic paints. We have a catalog of over 180 paintings or your group can do their own painting, with our inspiration.

For tile art, a variety of art tools can be used to create the original art: markers, oil pastels, colored pencils, watercolors or acrylic paint and even collage with paper and glue. We bring all these cool art tool and special paper, and your group creates the art (we'll provide some ideas...it can also be a themed so that everyone is creating art within a theme, i.e. peace, love, happiness, etc.). We then send each piece of art into our printing facility where the art gets transferred onto ceramic tiles. Upon completion, you have three options: 1) we install 25 tiles onto 25" square tables (pictured above); 2) we install 25 tiles into a 30" square framed mural; or 3) we return the tiles to you and you can work with a facility or organization to install the tiles (on a wall for instance). When you receive the tile products or tiles, you'll also receive the original art.

What Does it Cost?

Fees are dependent on the project and event you decide to host. Please contact us for an exact fee quote.

Canvas painting events are typically \$40 per person and we require a minimum of at least 15 people in order to include the charitable contribution (we also host non fundraising events).

Tile creation workshops are about \$40 per person also for 25 participants. We can provide a quote for larger groups.

We schedule events all over New England 7 days a week and travel to any venue. We also have a small studio in Leominster, MA where we can host groups up to 25.

Paint beCAUSE and Tile beCAUSE "to gogh"

You can host and run your own beCAUSE workshop with our "to gogh" kits. We'll give you all the supplies you need to create your art. If you purchase the tile kit, you simply send us the artwork and we'll do the heavy lifting. We transfer your artwork to a tile and deliver that tile to its chosen destination. Contact us to order.

Here are the Current Walls That Unite Causes that You Can Support

Your group's tile art making project can support one of our current projects below.

The Literacy Wall – Rwanda

Did you know most children in the world grow up without books in their homes and schools? Help create a world where every child has books to teach them to read, write and imagine the world beyond their community.

The art you will create for this wall is themed “A,B,C’s”. We provide you with art instructions and inspirations to ensure the best results from all. The tiles, once on the walls of the schools in Rwanda, will aid the teachers in teaching English which is now the official language of Rwanda. Our Literacy Wall is a great way to donate to the children of Rwanda while fostering the power of knowledge.
