Art Work Shops by **Let's Gogh Art** are single session workshops for people of all ages, delivered to your location. Perfect for schools (early release days), libraries, community centers, camps, country clubs and other groups.

Art Shops combine art and creativity through unique art-based experiences. Our varied projects and themes expose participants to a wide variety of techniques, tools and media, working with both 2- and 3-D projects in a choice-based format. A single art project or a theme may be chosen for your Art Shop. Collaborative projects available on request. For schools, the Art Shop curriculum meets or exceeds the Massachusetts Visual Art frameworks. With a bit of wacky and whimsy, we show people how to think outside of the crayon box about art and how it relates to the world around them.

"Everyone really enjoyed Let's Gogh Art's Art Shop here at the library. We're looking forward to your next program this summer."
-Denise Shaver, Belmont Library

"Thanks for doing such a great job with the kids in the early release workshops. They are clearly having fun and you do a great job managing such a large group of kids."
-Valarie Parent, Lancaster Schools

Our high-energy and experienced staff know how to keep a crowd interactively engaged, focused and well behaved. All of our Art Shops offer an exceptional value, especially when compared to other options. The best part, everyone goes home with memories and masterpieces. Art Shop fees and duration vary by location and are dependent upon size of group, projects/theme chosen and duration. Art Shops are generally 60-120 minutes and range from \$8-\$20 per person.
